San Mateo-Foster City School District Announces Important Board Study Session Regarding Enrollment and Capacity in the Foster City Schools Saturday, March 5, 2011

Foster City, CA – The San Mateo-Foster City School District Board of Trustees will be meeting in a special session on Saturday, March 5, 2011 from 10:00 am - 12:00 pm at the San Mateo-Foster City School District Office – 1170 Chess Drive, Foster City, CA. This important study session was called to review and discuss, in depth, the issue of growing student enrollment in the City of Foster City and the related need for additional school capacity in Foster City. The meeting is being held on a Saturday so that parents and community members can attend.

This Board Study Session provides an opportunity to review information about enrollment and capacity in the Foster City Schools. In particular the agenda will include:

- Background Information
- Enrollment Projections
- School Capacity
- Options for Managing Growth
- Financing
- Discussion – Question and Answer

While the primary impact of this student enrollment growth is in Foster City, impacts may be felt in San Mateo schools. The Board of Trustees is interested in hearing from parents and community members from both Foster City and San Mateo. Study sessions are open to the public and community members are encouraged to attend.

For more information on this topic, please see the front page of the SM-FC District website at www.smfc.k12.ca.us under the heading 4th FC Elementary School.

###

The San Mateo-Foster City School District operates 20 elementary and middle schools serving approximately 11,000 students from preschool through 8th grade. For more information, please visit the district website at www.smfc.k12.ca.us.
