San Mateo-Foster City School District Announces Student Registration Dates and Kindergarten Information Meetings for the 2011-2012 School Year

Foster City, CA – The San Mateo-Foster City School District registration process for the 2011-2012 school year is about to begin. Parents registering new students should familiarize themselves with these important dates.

Kindergarten and New Student Priority Registration Period
Kindergarten and New Student Priority Registration will take place Monday, March 7 - Friday, March 25, 2011. Priority registration is used to determine school and grade level capacity and is not a guarantee of enrollment. Parents should contact their school of assignment for more specific registration details. Parents may use the school lookup tool on the District website to determine their school of assignment, www.smfc.k12.ca.us/lookup, or contact the Student Services Department at (650) 312-7345.

Kindergarten Information Nights
Students are eligible to enter Kindergarten if they have reached 5 years of age on or before December 2, 2011. We encourage parents new to the district to attend a Kindergarten Information Night. These meetings will provide parents with an overview of required registration documentation (i.e., immunizations, acceptable proofs of address) and information on what their child will be expected to learn and what they can do now to help prepare their child for success in Kindergarten. The District will also offer registration assistance for Spanish-speaking families at College Park Elementary School on Wednesday, March 2, beginning at 4:30 pm during the Spanish Kindergarten Information Night.
